Detailed Description:

Scarlett is one incredible mare. She is smart, catty, and loves to please. She has a great start under saddle and is ready for any western discipline. Scarlett has a huge stop and a lot of go, but only when asked. She has a great disposition and a personality you can't help but love. She ties, cross-ties, bathes, lunges, stands for the farrier/vet, and gets along with other horses. This girl is barefoot, sound, and solid. She goes through our obstacles, crosses water, and does great on trail. No vices. Up to date on vaccines, teeth, and is microchipped.
